Humor Columns Add to STUDENT

In room 215 during the sixth period this year, you probably saw a group of young journalists hard at work. These students were members of THE STUDENT staff. These people were responsible for the writing, planning, and distribution of the official school newspaper of Woodrow Wilson High School.

At the helm of THE STUDENT staff this year were editor Richard Bowen and faculty advisors Miss Marion Ransom and Mrs. Lenice Pannell. Other editors included Skip Carsten—news editor, Bonnie Vick—feature editor, Jo Lynn Brown—business manager, and Billy Byrd—sports editor.

Seven papers were published during the year. After holding at ten cents for years, the price of the paper finally rose by a nickel to fifteen cents.

Notable achievements of the year included the introduction of a "Dear Gabby" column, a "Can You Imagine" humor column, the selection of a new all-time Wilson football team, and a special greeting from THE STUDENT staff at Christmas.

The staff sought to present a well-balanced combination of school news, relevant editorial comments, interesting features, and exciting sports reporting in every issue.

Headed by Editor-in-Chief Nancy Bailey, the staff strove for a totally new yearbook. We feel we have designed one of Wilson's better PRESIDENTS!

The Bible Club Makes A Beginning At Wilson

"Let your light so shine before men, that they may see your good works, and glorify your Father who is in heaven." Matthew 5:16. We took this verse as a challenge this year.

In addition to devotions each morning, meetings were held three or four times a month and included the film, "To Russia With Love," speakers, and special music by members of the club or guests. Among these were Coach Leslie Smith, Russell Presson, Reverend Dallas Ainslie, Mark Oglesby, Lynn and Gary Jordan, Keith Kenemer, and Dave Fussel. As the year progressed, many others came to share a blessing with us. Several area churches were visited, also.

The Lord has given us a real blessing this year in seeing precious souls come to know Jesus as their personal saviour.

"Hello Dolly" Highlights a Successful Year For Dramatics Club

On the night of December 6, the Dramatics Club produced the stage version of the famous movie, REBEL WITHOUT A CAUSE, directed by Mrs. Mary Jo Brady and Tana Stover. Starring were Debi Collins, Rick Wyron, and Colonius Rawlings, along with many other familiar faces.

Our extravaganza for the year was the beloved musical, HELLO DOLLY, directed by Mrs. Mary Jo Brady and Liz Cobb. Sharon Craig was magnificent as Dolly Levi, and sleepy Dan Rollins woke up long enough to do a tremendous job as "the well-known half-a-millionaire, Horace Vandergelder".

Other plays were the one-acts, among which were "Strange Road", our contest play, and "The Right Kind o' House."

The curtains to the 1971-72 theatre season for Wilson closed with a bang with the Senior class play which was the best ever. Altogether, it was a very successful year!

Members of Dramatics Club Work Hard to Become Thespians At Wilson

Donald, Linda, Rick, and Liz rehearse for big night.

The Thespians belong to an international society of actors and actresses. By giving at least 100 hours of work to dramatic productions, one becomes a Thespian. Students at Wilson who fulfill this requirement are initiated into Troupe No. 1238 some time during May.

The officers of Thespian Troupe No. 1238 serve also as officers for the Dramatics Club. Those for this year were: President—Liz Cobb, Vice President—Rick Wyron, Secretary—Sharon Craig, Treasurer—Jeff Mobley, and Scribe—Tana Stover.

Annual Forum Bowl Pits Girls Against Boys

The Forum is Wilson's debate and discussion group. Membership is open to all students with better than a B average in English and history.

The Forum supported the activities of the Forensics team and provided the funds for district and state competition. A bake sale was sponsored at the PTSA's Open House. The Forum presented the entire student body with an informative, entertaining, and amusing assembly, the Annual Forum Bowl, a "college-bowl" type quiz pitting the girls against the boys.

Forum meetings were held the second and fourth Tuesdays of each month. This year's advisors were Mrs. Brady and Mr. Glickman.

Outstanding Wilsonites Make Forensics Team

The forensics team represents Wilson in five areas: Prose reading, Poetry reading, Original Oratory, Spelling, and Extemporaneous public speaking. Each area is represented by a boy and a girl, except for Spelling. The speller is selected through a school-wide spelling bee.

Both prose and poetry readers must present a prepared selection of their own choice, followed by the judge's selection to be sight-read. Original oratory competition consists of delivering an original speech prepared and practiced in advance. Extemporaneous speakers are allowed to pick from a hat three subjects at random and are given 30 minutes to prepare a talk on their choice of one of the three subjects. The speller presents his knowledge in the form of a spelling bee.

Mixed Chorus Entertains Students and Faculty

The Woodrow Wilson High School Mixed Chorus is the many-voiced giant sound of Wilson. Auditions include the upperclassmen from the school and members of the Girls' Ensemble. Those meeting the qualifications become a close knit group, not only vocally as they work hard for blend of voices, but also socially. This year was another great one both in overall performances and individual performances. Audiences received them favorably and so did judges, as forty individuals from Mixed Chorus represented Wilson in the All-Regional Chorus the second weekend in February. This group cut their third annual record and collaborated with the Dramatics Club to present their annual musical which this year was "Hello Dolly!".

The Mixed Chorus combines its sound with the music department at this year's Christmas Assembly.

These separate classes joined the rest of the Vocal Department in participating in the Lancaster Sing-Along in September, the Christmas Assembly in December, and the Spring Concert in April.

Presidents and First Ladies Tour Northern Virginia

The Presidents and First Ladies Vocal Ensemble is as much a tradition at Wilson as orange and blue. The members of this group give unselfishly of their time to perform for many organizations at school and in the community. This year, in addition to the many performances locally, the group presented a concert at The National Cathedral in Washington, D. C. while on a tour of Northern Virginia. Membership in this group is by audition from the Mixed Chorus.

The Presidents and First Ladies enjoy themselves at practice sessions.

Annual Concert Climaxes Orchestra's Year

In November, 1971, ten Wilson orchestra students played in the Southern Regional Orchestra held at V.C.U. in Richmond. The Orchestra appeared on a P.T.S.A. program with the band, chorus, modern dance, tumbling, and three one act plays. They also did two Christmas Music Programs in Elementary Schools. On March 11, they were in the District II festival held at Cradock High School. The Orchestra also was in assemblies during the last week in April and the first week in May. The annual concert of the year was given with the Junior High School Orchestras during the first weekend in May.

The orchestra spends many hours practicing.

Wilson works with Norcom to perform joint pre-game display.

Dwain Hewitt sounds off at football half time show.

Drummers keep in line during morning practice.

Wilson band lines up for half time pageantry at Cradock.

Band prepares to perform at half time.

During the past football season, the band presented a new innovation in its half time shows—DANCING. Under the capable leadership of Drum Major Lorenzo Hainsworth, they performed many spectacular gyrations. Who at Wilson could forget the first performance of Issac Hayes' "Shaft" arranged especially for the band by two students at Norfolk State College?

Don't think, however, that the band's work ended with the half time shows. There was ALWAYS something going on—whether it was parades or concerts. And if you don't believe that, then just ask a band member why he carried that odd-looking case around with him constantly.

The WWHS Majorettes were led this year by Donna Wilkinson and Lillian Thayer. They strove to promote school spirit, and the results of their year-round practice was seen at assemblies, parades, and half time shows. During the homecoming game, the majorettes twirled fire batons.

Mix-up day of Spirit Week had a new twist. The majorettes and cheerleaders exchanged roles during the assembly. The result of this was tremendous fun.

An out-of-town trip with the band to Baltimore was a highlight of the year. All-in-all, the majorettes, the band, and Mr. Ruzek had a very successful year.

The student club to which all I.C.T. students belong is known as V.I.C.A.—The Vocational Industrial Clubs of America.

The main purpose of the club, as evidenced in the club motto, "Preparing for Leadership in the World of Work", is to develop leadership abilities in all the students who join. This is accomplished through a series of leadership activities and projects.

The V.I.C.A. students began the year by attending the Annual Fall Leadership Rally. In December, as a part of its Community Service Project, the club purchased and donated food to the Salvation Army for distribution to needy families of the city.

On February 28, 1972, the Wilson V.I.C.A. Club hosted and participated in the Annual District I Leadership Contests.

In March, students attended the First Annual Regional Leadership Conference, and in April, several students attended the Virginia Association of V.I.C.A. State Leadership Conference and Convention.

To close the year, the Third Annual City-Wide I.C.T. Employer-Employee Banquet was held at the Cavalier Dinner Playhouse. Each year this function is carried out to show appreciation to the employers for the on-the-job training received throughout the year.

Some of the money-making projects this year were car washes, bake sales, and selling Halloween candy. In the future, F.B.L.A. plans to send letters of appreciation to local stores and companies who have helped promote business education.

The entire club would not be possible if it weren't for the club's advisor, Miss Paulette Lufsey. She has helped to make the club a success during the past two years.

Cooperative Office Education Offers Opportunities

President: Brenda Lauterbach
Secretary: Shona Daniels

Vice President: Lillian Thayer
Treasurer: Marsha Critcher

Coordinators: Mrs. Deanie Boyd
Mrs. Mary G. Underwood
Mrs. Lynette Whitley

As a part of the Business Education Department, Cooperative Office Education offers on-the-job training in the area of office occupations to qualified, interested seniors.

Student schedules are arranged so that each individual participating in the program attends classes half of the school day and is employed in an office capacity during the remaining part of the day. An arrangement of this nature makes it possible to combine a regular high school course with beneficial preparation for work and enables a student to explore office occupations before graduation. Job orientation of this type makes possible higher pay and faster promotions in employment after graduation.

in Eastern Regional

Wilson 1971

The 1971 Presidents won their third Eastern Regional championship in the last four years. They possessed an overwhelming offense and a good defense. They led the state in scoring with 412 points. Robert "Ton" Davis tied the state scoring record with 171 points. Robert "Baby" Powell again won All-America honors. One by one, the Presidents defeated their opponents. Western Branch, Churchland, Indian River, and Norview were easily defeated. The Presidents got rolling in October defeating Oscar Smith, Deep Creek, and Great Bridge. Norcom was a different story however. The Greyhounds stunned the Presidents by defeating them 20-8. It was Wilson's only regular season loss.

Victories over Cradock and Granby reserved an Eastern Regional berth for the Presidents. The Presidents defeated Maury 22-6 in the Regional game, thus advancing to the State Semi-Final game against T.C. Williams. The Titans proved to be too powerful, however, as they defeated Wilson 36-14.

There were many outstanding players on the team. Steve Philbrick, Mike Fagan, Robert Powell, and Robert Davis were named to the All-Eastern, All-State, All-Tidewater, and All-Metro team. Eddie Powell was also named to the All-Metro team. Mike Lawson was named to the All-Southeastern team. The co-captains, Kenny Moody and Steve Philbrick, impressed everyone with their leadership ability.

Confident of victory, the Prexies relax at the half.

Well, schools out and the year is over in Happy Hanna's class. I've enjoyed knowing you. Take it easy this summer.

Row 4: Ernest Myrick, Carl Webster, Steve Bynum, Tim Wood, Gary Chadwick, Victor Harris, Michael Scott, Angelo Scott, Managers—Larry Brown, Buzzy Williamson.

Coach Sweet gives advice to running backs during a critical game against Cradock.

The junior varsity football team posted a 2-3-1 season in 1971, but the record does not really reflect their fine ability. Coach Earl Sweet described the J.V.'s as "a very physical team." They had a strong defense and a good offense but couldn't seem to put it all together. The most notable game of the year was a 40 to 0 win over Indian River.

One of the J.V.'s strong points was their running attack. Stanley Thornton, Mike Lipford, Clay James, and Mike Jenkins were the leading rushers. Another of their good features was their strong front line. Michael Scott, Angelo Scott, Maurice Carey, "Saint" Watson, Veldon Steel, Mitch Doughtie, Bruce Conley, and Gary Whitt were the best linemen.

There were weaknesses, however, The offense could push the ball downfield but had trouble scoring. The defense was vulnerable to the end run.

The team was coached by Earl Sweet and Joe Langston, a newcomer to Wilson.

Each year our cheerleading squad works hard to promote school spirit and unity among the students at Wilson. The cheerleaders were involved in many activities including pep rallies, athletic games, and Victory dances. Practice for the squad was virtually continuous from June throughout the entire school year.

This past summer, the Wilson cheerleaders hosted the Annual Varsity Review, where all the varsity cheerleaders in the Southeastern District met, exchanged cheers, and chose the best cheering squad. This idea was originated by Mrs. Sweet, advisor of Wilson's cheering squad. Even more than all this, the cheerleaders made signs for the halls and games, planned pep rallies, and made favors to encourage our athletic teams.

The Junior Varsity cheerleaders, sponsored by Mrs. Maria Hudgins, have had a great year cheering for the J.V. athletic teams and cheering in the stands at the Varsity games. Besides yelling and screaming at football, wrestling, basketball, and baseball games, our J.V. cheerleaders sold game programs and homecoming flowers to earn money.

After a slow start, the Wilson varsity basketball team fought its way to a respectable 11-9 record this season. The team advanced to the semi-finals of the Southeastern District tournament after capturing second place in regular season competition with a 6-3 record.

The Presidents lost three of the first four games they played, all to Eastern District teams. After Christmas they seemed to get their fast-break working, winning nine games and losing only five, four of them by only one point. In the Western Branch game, Robert "Baby" Powell became one of the few players in Wilson history to break the 1000-point mark in scoring. Teammate Eddie Powell had an outstanding season, averaging over 20 points per game. Eddie McSweeney and James Whitehead frequently scored in double figures.

Wilson defeated J. F. Kennedy of Suffolk by a score of 63 to 58 in the opening round of the Southeastern Tournament on Feb. 22. The Prexies lost, however, to Oscar Smith on Feb. 25 by a score of 56 to 55 in the semi-final round.

The junior varsity basketball team had a 10-8 season in 1971-72. Coach Wayne Prince said that he was "relatively pleased" with the season record. "We won all of the games that could have gone either way except one," commented the coach. In the Kennedy game, they overcame a 20-point deficit to win 70 to 69.

Robert Cooper was the best man on the squad in Coach Prince's opinion. Cooper was the team's leading rebounder and scorer. Guard, Michael Moore, who was moved up to the varsity late in the year, had possession of the ball for the most time. Other outstanding performances were turned in by Johnny Moss and Keith Silver.

Steve arches his back to avoid trouble.

The Wilson wrestling team had a fairly successful season in 1972, winning six matches while losing only four. Under the direction of Coach Earl Sweet, several Wilson wrestlers gained state recognition. Kenny Moody posted a 10-0 season to earn a first place ranking in the Southeastern District and a third-place ranking in the Eastern Region. Steve Philbrick had a season record of nine victories and one loss, giving him third place ranking in the District and Region. The most memorable match of the year was the opening one against Great Bridge. The first three Wilson matmen were defeated, but after Carl Turner pinned his opponent, every Wilson wrestler pinned his opponent.

In the District Tournament at Wilson on February 11 and 12, three Wilson wrestlers won championships—Carl Turner, Steve Philbrick, and Kenny Moody. Philbrick and Moody also advanced to the State Tournament in Alexandria through their third-place finishes in the Regional Tournament at Ferguson on February 18 and 19. They took a third-place standing in the State Tournament.

Cross Country is a vigorous activity which builds physical endurance and self reliance. It requires much physical exercise, running, proper diet, and proper rest.

The cross country team won only one meet this year and one runner, Herb Miller, placed in the district meet, but this was in spite of the excellence of the coaching and the alacrity of his members. Coach Ken Hopkins looks hopefully to next year when inexperience and the small number of runners (the other schools had comparatively big teams) will not prove to be a handicap to the team.

The 1972 Golf team has four experienced players returning. They are as follows: Jeff Klyver, a senior, who has improved a great deal since the 1971 season; Mike Scanlon, also a senior, who played in many matches last season and may be a pleasant surprise in 1972; Mark Kahler and Robert Rardon, who both started as freshmen at the end of the 1971 season and as sophomores, can be expected to lead the Wilson team by picking up the slack of players who graduated.

The 1972 Golf season could be another winning one for the Presidents, and with luck, we may retain the District Championship for the third straight year.

The outlook for the 1972 tennis team is one of optimism. With five returning lettermen, including three district champions, the team should repeat as district champion.

An innovative motion was passed last year by the Virginia High School League. For the first time, girls may compete in varsity tennis. Coach Phil McMillion certainly plans to use these young ladies in several matches. He says Wilson is fortunate in having four lovely young ladies who are competent tennis players.

Louis Morris and Bobby Sumner were both singles champions last year and should evolve as the team leaders. Mark Kozak was a standout as a freshman and should continue to dominate this year.

With two starting positions open on the tennis ladder, competition should be keen among the eight remaining players to fill these spots.

Gymnastics Team Hosts Regional Meet at Wilson

The Gymnastics Team is composed of eighteen girls most of whom are beginners. They compete in both the Virginia High School League and in A. A. U. competition. The girls had regular practices on Tuesday and Thursday nights with balance beam practice on Wednesday afternoons. The activities in which the girls were involved were tumbling, exercise dancing, balance beam, vaulting, and uneven parallel bars. Wilson was proud to have hosted the Regional Gymnastics meet March 4, 1972. The girls who participated in this event were Paula Crawford, Kathy Eddleman, Kathy Harrison, Sharon Hobbs, Jackie Hollis, Karen Joyner, Van Jordan, Bonnie Johnson, Lisa Jester, Janie Mines, Vickie Mitchell, Linda Myers, Nancy Rickman and Sharon Zirkle. Kathy Eddleman received a bronze metal in tumbling at a meet in Richmond February 19, 1972. Our coaches were Mrs. Mildred Clarke and Miss Kay Sellers.

Hill gets it off.

Harris, Powell, and Ward work up a good sweat.

The Wilson outdoor track team, coached by Joe Langston, should have a fair season in 1972. This year the team has eight lettermen returning from previous seasons, which should give the team a considerable amount of experience. There are also three newcomers who should be helpful, in the opinion of Coach Langston.

In field events, four season Mike Fagan should once again keep Wilson on top in shot-put and discus events. Seniors Kenny Parsons, Kenny Moody, and Junior Robert Earls will be the pole vaulters this year. Rounding out the participants in field events for Wilson are letterman Gene Earles—broad and triple jumps, and rookie Garland Knight—broad jump.

Wilson's traditional strong point has been its sprinters, and this year seems to be no exception. Ken Moody and Andrew Hill will run in the 100 yard dash. Parsons, Hill, Robert Earls, Gene Earles, and Knight will be entered in the longer 440 yard run. Running the half-mile race will be Calvin Buck, Knight, Keith Silvers, and Herb Miller. Buck, Silvers, and Miller are this year's milers. Gary Hamlet will run the grueling two-mile race. Our hurdlers will be Moody, Parsons, Hill, and Robert Earls.

Miller, Hamlet, and Buck head down the track for a hard day's practice.

The captain and goalie of this year's team was Michelle Myers. Miss Beverly Copeland coached a good season in which the team won four games, lost three, and tied two.

We also have a promising transfer from Oscar Smith High School, John Koch. There are several promising players up from the J.V. team. They are Keith Zirkle, Donnie Johnson, Keith Lovelace and Mike Lilley. The leading hitters from last year who are returning are Dana McCormick and Buddy Miner. This year's pitching depth is the team's strong point, whereas hitting appears to be weak. There are several new players who hope to add to the team; they are Eddie McSweeney, Reginald Jones, and Ronnie Narron.

To my love, Randy, (page 234)

To the best-looking, most talented, smartest, most fun, best all-'round young man I know.

Though we've known each other for less than seven months, I feel like we've always been together. I can't imagine living without you. I would only be existing. Enough mush.

Since you didn't save me a page, I'll finish fast.

Best of luck and happiness to the greatest drummer and best singer around. Keep up the good work and only the stars will be your limit.

Gift of youth.

This gift was embodied in a mythical ring belonging to a hero, Ogier the Dane. Ogier's ring not only removed the wearer's infirmities; it also restored his youth. Try your Balfour class ring 50 years from now. Maybe it can do the same.

Randy

It's been a really great year. I hope you've enjoyed it as much as I have. Stay good and <u>try</u> and behave yourself this summer. Keep the faith

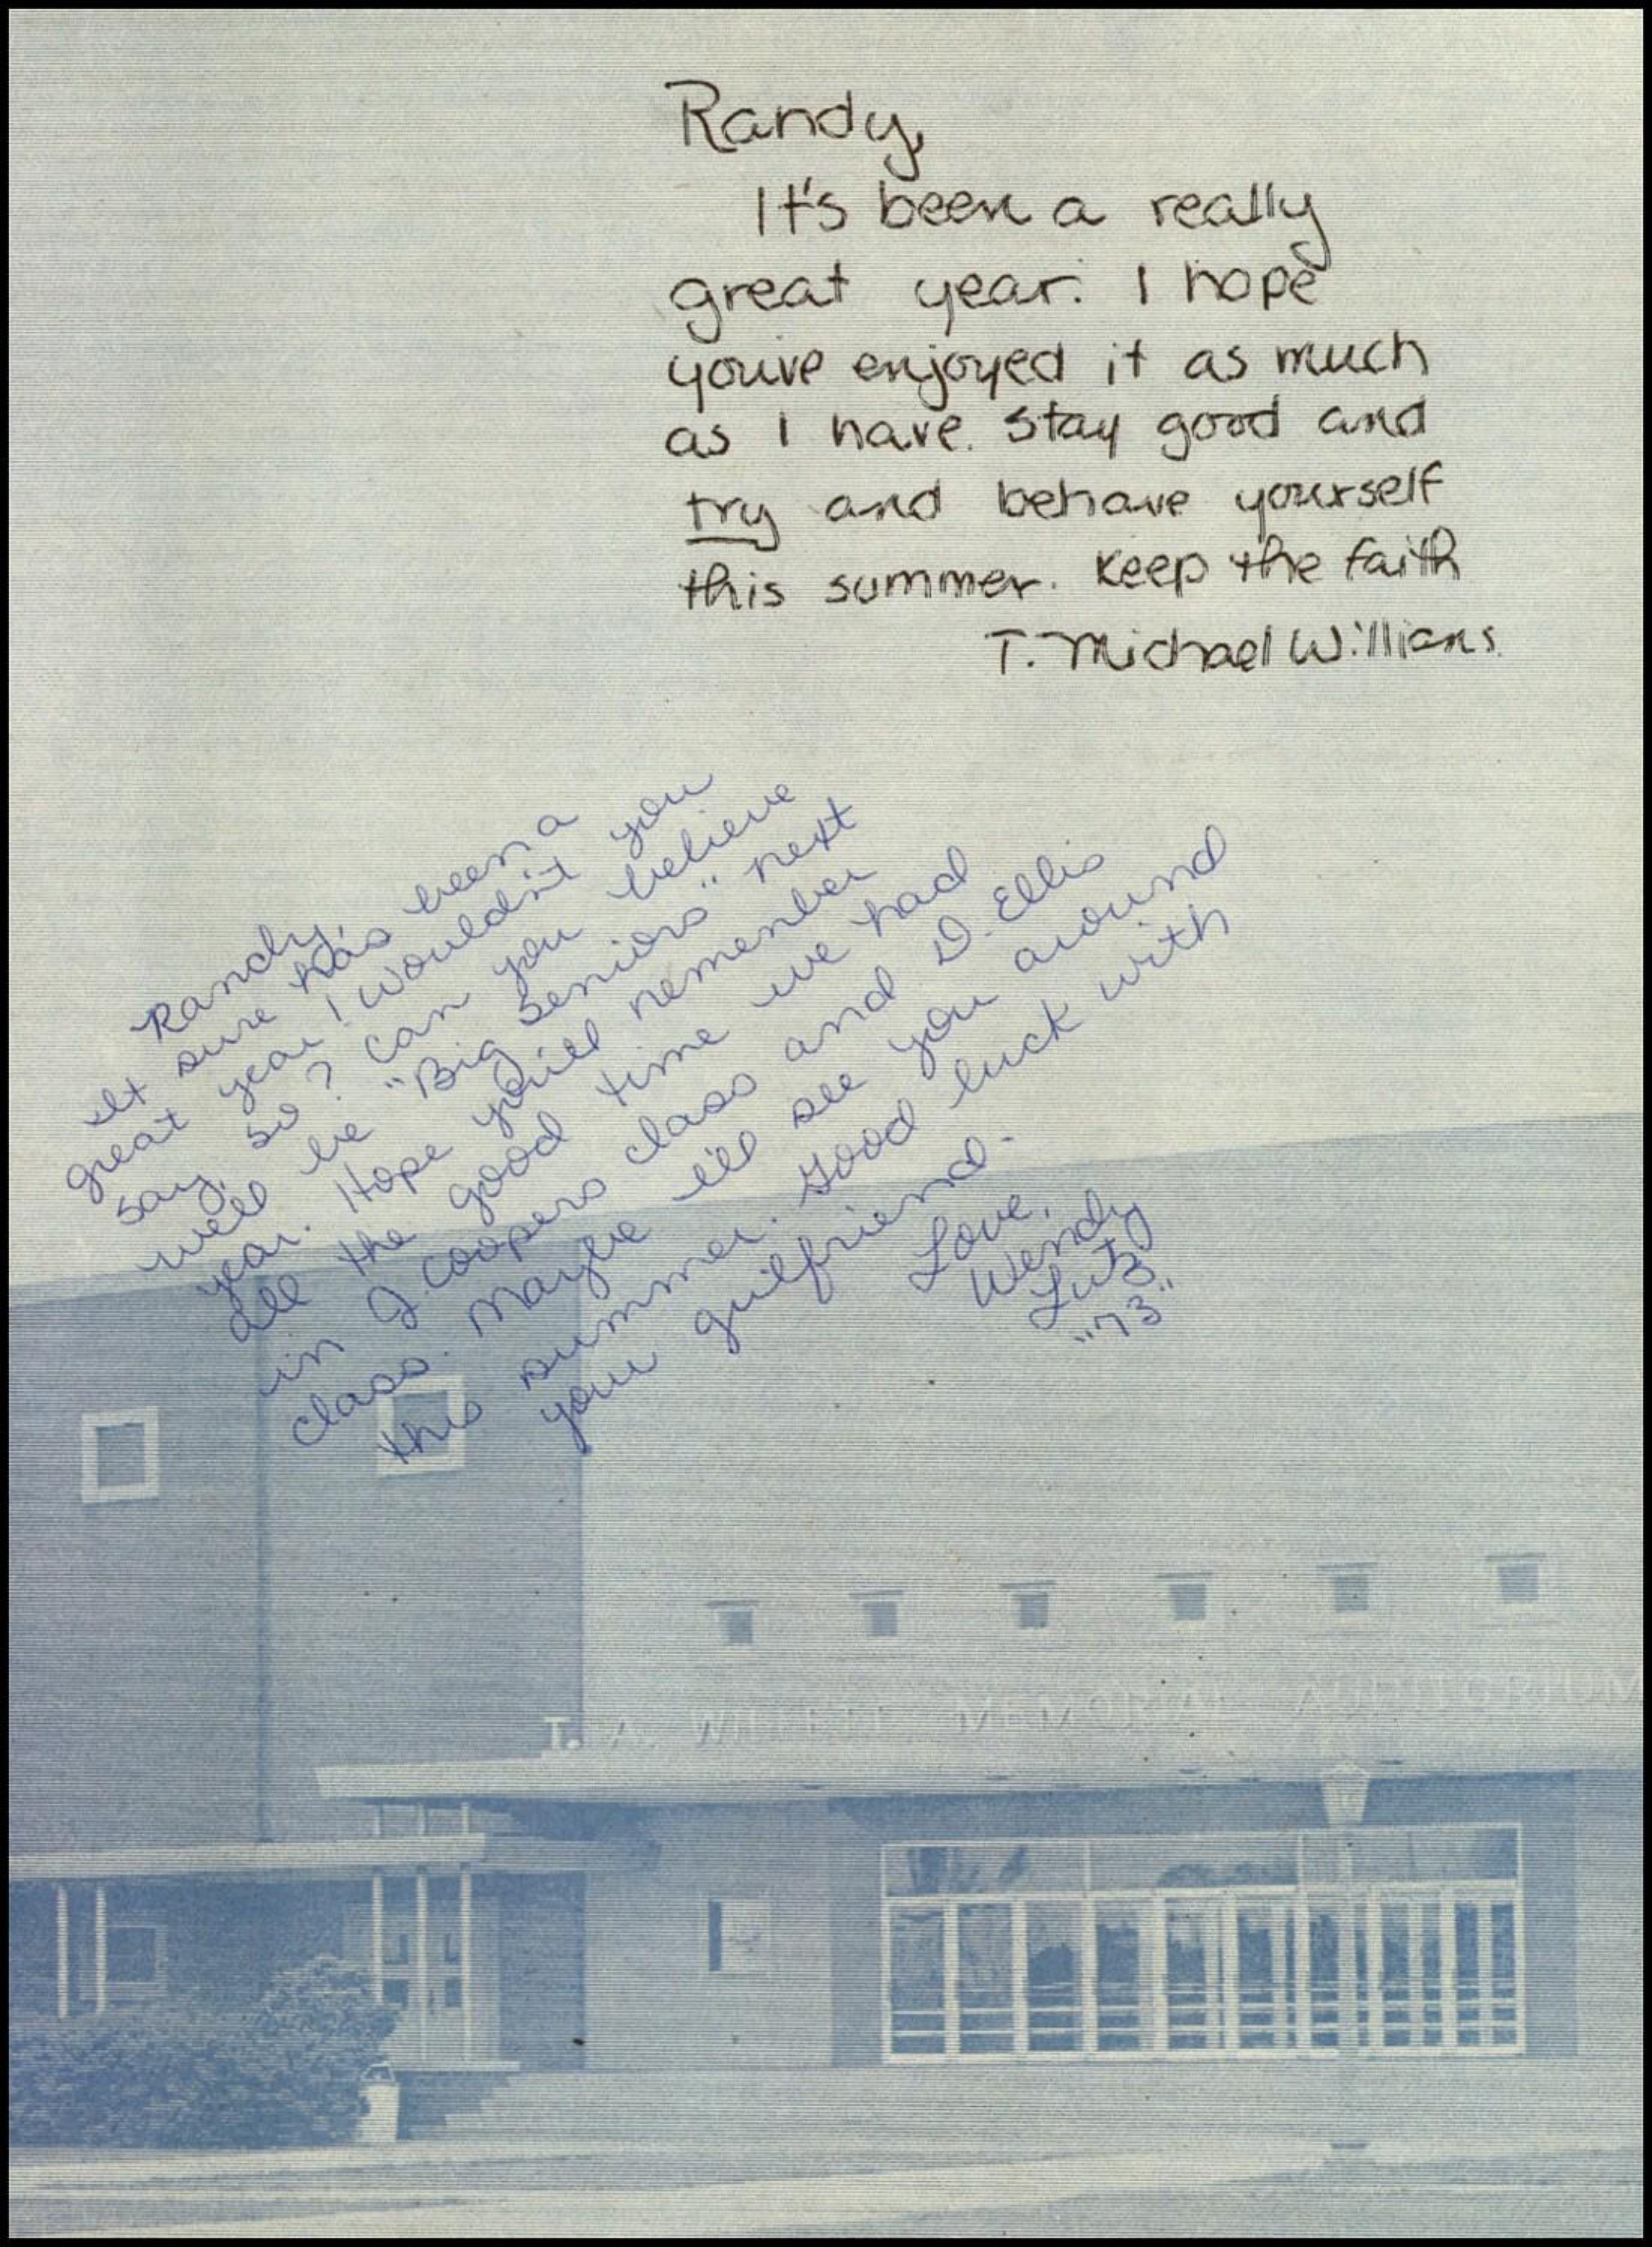
Randy
It sure has been a great year! Wouldn't you say so? Can you believe we're "Big Seniors" next year. Hope you'll remember the good time we had in J. Coopers class. Maybe we'll have class and D. Ellis this summer. Good luck with your girlfriend.


Love,
Wendy
